Box – Made in Germany.

Square plastic box with a clever click fastening that can be opened with one hand. The box is made from robust and durable polypropylene and is 100% recyclable.

Single-use gloves.

Practical single-use gloves to protect your hands; one size fits all.

Hygiene wipe.

Hygienic wet wipe for care on the go. Impregnated with a gently caring emulsion with chamomile extract and panthenol. Panthenol improves the skin's ability to retain moisture and has an antiinflammatory effect.

Cleaning wipe.

For the hygienic cleaning of the skin, hands, surfaces and objects, with an anti-bacterial effect.

Wet wipe.

This wipe, made from traditional paper tissue, offers fast and easy refreshment on the go.

"Fresh" fragrance notes – fresh, Mediterranean, slightly sweet scent.
